**Name:** Todd (Hoi Tok) Chan, Ph.D., P. Eng., C. Eng., FCSCE

**Address:** 31 Sagewood Drive  
Toronto, Ontario, Canada M3B 3G6

**Phone:** (416) 445-6106

Email: [toddchan@rogers.com](mailto:toddchan@rogers.com)

Email: [todd.chan@utoronto.ca](mailto:todd.chan@utoronto.ca)

**Education:**

Ph.D. (civil engineering) University of Toronto, Canada, 1972

M.Sc. (Eng.) (civil engineering) Queen's University, Canada, 1964

B.Sc. (Eng.) (civil engineering, first class honors) Queen's University, Canada, 1962

**Experience:**

1. 2000 – present (Working for the Canadian Society for Civil Engineering, private engineering consulting, adjunct professor of 4 universities in China)
2. 1995 – 2000 (Senior Lecturer at the Hong Kong Technical College, Hong Kong)
3. 1979 – 1995 (Sr. Research Engineer, Ontario Hydro in Toronto, Canada)
4. 1964 - 1979 (Held different senior engineering positions at the Ontario Ministry of the Environment and the Ontario Ministry of Transportation in Toronto)

**Present Positions:**

1. Vice-president (Technical Programs) – Canadian Society for Civil Engineering (CSCE)
2. Director – Strategic Partnerships, CWTX (Canada Water Technology Exchange based at the University of Guelph, Ontario, Canada)

**Expertise:**

1. Groundwater modeling and monitoring
2. Solid waste management and utilization
3. Environmental assessment and protection
4. Project management

**Publications and Patents:**

Published about 60 journal and conference papers and about 50 technical reports

**Other Activities and Honors:**

1. Organizing and participating in numerous Canada/China technical exchange activities since 1985
2. Fellow of the Canadian Society for Civil Engineering (CSCE) since 1994
3. Recipient of the CSCE James A. Vance Award in 2005 for significant contributions to the CSCE
4. Recipient of the China Civil Engineering Society (CCES) Award in 2006 for significant contributions to CCES in international cooperation activities
5. China Friendship Award in 2014 – the highest award to foreign experts bestowed by the Chinese government
