

Name: Van-Thanh-Van NGUYEN, Eng., PhD

Address: 8433 Andre-Grasset
Montreal, Quebec, Canada H2M 2P6

Phone: (514) 388-3088 (H)
(514) 398-6870 (O)
Email: van.tv.nguyen@mcgill.ca
Web: <http://www.mcgill.ca/civil/>

Education:

BEng. in Mechanical Engineering, National Institute of Technology, Vietnam, 1973
MEng. in Water Resources Eng., Asian Institute of Technology, Thailand, 1975
DASc. in Civil Engineering, Ecole Polytechnique, Univ. of Montreal, Canada 1979

Experience:

Invited Professors at universities in Canada and in other countries (Australia, Japan, Malaysia, Singapore, and Thailand); **Prestigious Keynote Speakers** at a number of national and international conferences; **Member of Editorial Boards** of various scientific and engineering journals; **Expert Consultants** to Canadian and international organizations and industries.

Present Positions:

1. *Chair*, Department of Civil Eng. and Appl. Mech., McGill Univ., Canada.
2. *Director*, Brace Centre for Water Resources Management, McGill Univ., Canada.
3. *Endowed Brace Chair Professor* in Civil Engineering, McGill Univ., Canada

Expertise:

Hydrology and water resources management, climate change impact assessment, statistical and stochastic modeling and simulation.

Selected Publications:

Over 200 articles in refereed journals, peer-reviewed specialized monographs, and refereed conference proceedings have been published since 1979 to date.

Evidence of International Leadership and Honours:

American Society of Civil Engineers (ASCE): Member of the Hydro-Climate Committee;
Asia Oceania Geosciences Society (AOGS): President of the Hydrological Science Section (2006 – 2008) and Vice-President of the Section (2005-2006, 2008-2009);
International Association of Hydraulic Engineering and Research (IAHR): Member of the Climate Change Working Group; **International Water Association (IWA):** Member of the International Urban Rainfall Working Group; **World Meteorological Organization (WMO):** Member of international expert committees to revise guidelines in hydrological practices, and invited lecturers at WMO training workshops; **UNESCO:** Member of the Regional Steering Committee for the Asia-Pacific Region; **Asia Pacific Association of Hydrology and Water Resource (APHW):** Member of the Preparatory Committee to establish the APHW in 2002.
