

# Vincent H. Chu

<http://www.mcgill.ca/civil/people/chu>

## **Professor**

PEng, PhD

## **Education**

BEng (Civil Engineering, National Taiwan University)

MASc (Mechanical Engineering, University of Toronto)

PhD (Hydrodynamics, Massachusetts Institute of Technology)

## **Contact**

Tel: 514-398-6863

Fax: 514-398-7361

vincent.chu@mcgill.ca

## **General information**

Professor Chu's teaching and research interests have been in the field of fluid mechanics and hydraulics. His research involves modelling and measurements of turbulent flows with a focus on the applications in environmental engineering.
